

How much does a circuit breaker cost in Singapore?

The overall cost of replacing a circuit breaker depends on the type of circuit breaker, the size and brand of the circuit breaker, as well as labor and installation fees. Generally, circuit breakers in Singapore can range from \$35 - \$55 in price, with additional installation costs that may range from \$50 - \$200.

How much does a new electrical circuit cost in Singapore?

The number of outlets and circuits that need to be connected also contributes to the overall cost. As a general rule, the cost to install a new electrical circuit in Singapore can range anywhere from \$100 to several thousand dollars or more. It is important to speak to a certified electrician to get an accurate quote before any work is done.
