

Factory price furnace breaker in Singapore

Why should you choose a circuit breaker manufacturer in Singapore?

24/7 online get a quote! Circuit breakers are essential components of any electrical system, protecting against electrical overloads and short circuits. In Singapore, the demand for reliable and high-quality circuit breakers has led to the emergence of a thriving industry of circuit breaker manufacturers.

How much does a circuit breaker cost in Singapore?

The overall cost of replacing a circuit breaker depends on the type of circuit breaker, the size and brand of the circuit breaker, as well as labor and installation fees. Generally, circuit breakers in Singapore can range from \$35 - \$55 in price, with additional installation costs that may range from \$50 - \$200.
