What is a power bank & how do I use it?

Power banks, also known as portable chargers, ensure you have a suitable back up power supply should you start to get low on battery. All you need is to make sure you've got the right model of USB cable to hand and you no longer have to worry about getting to a power point on the wall - simply plug your device into the power bank to recharge!

The power bank looks clever too, thanks to an integrated smart display that provides real-time power monitoring. The device is built for durability too.
