

Who is Koten Enterprises?

KOTEN ENTERPRISES COMPANY INCORPORATED Founded in 1986, Koten Enterprises Company Incorporated has excelled in the Philippine electrical industry for over three decades. Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth.

How did Koten start?

Starting as a trading company, it became a wholesaler in 1992, with circuit breakers as its first product--sparking rapid market growth. Over time, Koten expanded into importing, exporting, distributorship, and contractor services, bridging supply chain gaps and providing integrated solutions under one roof.

What makes Koten a great company?

Today, Koten represents persistence, innovation, and integrity, staying true to its founding values while setting new benchmarks in the Philippine electrical market. With a clear vision for the future, the company continues to shape industry standards and exceed client expectations.

What is K-63N breaker?

K-63N is an inverse time delay type of breaker that is mounted to a din rail. It has 240V rated insulated voltage, 6A up to 63A rated current, and an interrupting capacity of 6KAIC with a common trip operation. This product undergoes quality control testing and certification in compliance with the Philippine National Standard (PNS 1573-2:1997).
