Waterproof power banks protect against moisture and dust, making them reliable for outdoor use. These features are essential for adventurous camping trips.

What do car campers use their power bank for?

The vast majority of car campers are using their power bank for just one thing: keeping that phone charged. And even though you're off the grid (at least we hope), free from the YouTube autoplay and Facebook algorithm, you'll probably still need to use your phone for at least a couple of things. Photos. Alarm clock. Offline maps.
