

Solar transparent glass in the Democratic Republic of the Congo

What is transparent photovoltaic glass?

Also known as solar windows, transparent solar panels, or photovoltaic windows, this glass integrates photovoltaic cells to convert solar energy into electricity, revolutionizing the way we think about energy efficiency and sustainable building design. [Get a Quote Now!](#)

Who is Hongxing glass Congo SARL?

Hongxing Glass Congo Sarl is a subsidiary of Wes International Holdings Limited, an innovative high-tech factory on glass research and development, production and sales, located in the district of Lifoula of Kintoua City, Pool Province, Republic of Congo, and is the largest glass producer in the Republic of Congo.

What is transparent PV smart glass?

In transparent PV smart glass, this process is fine-tuned to ensure that the glass remains transparent while efficiently generating electricity from non-visible light. TPV smart glass, unlike traditional solar panels, mainly converts UV and IR light to electricity, making it ideal for large-scale applications like powering entire buildings.

Who are Shuohai (Xi'an) & Hongxing glass Congo SARL?

Both of our Company Shuohai (Xi'an) International Trade Co., Ltd and Hongxing Glass Congo Sarl are branch companies of Wes International Holdings Limited. Shuohai (Xi'an) International Trade Co., Ltd. It is a wholly owned subsidiary of Wes International Holdings Limited.

Company Profile: Hongxing Glass Congo Sarl is a subsidiary of Wes International Holdings Limited, an innovative high-tech factory on glass research and development, production and ...

Why Photovoltaic Glass Matters in the DRC With 60% of Africa's solar irradiation potential concentrated in Central Africa, the DRC's untapped solar resources could generate over ...
