

Supercapacitor Manufacturer in Kuala Lumpur

Who is kamcap supercapacitor manufacturer?

Jinzhou Kaimei Power Co.,Ltd.was established in 2006,located in Jinzhou City,Liaoning Province,China. Kamcap supercapacitor is one of the leading supercapacitor manufacturers in China. We are engaged in the development,production and sales of ultrac

What are the different types of supercapacitors?

Supercapacitors: 657 Products Found We offer a selection of electric double-layer capacitors (EDLCs), lithium ion capacitors, and miscellaneous types.A supercapacitor is a double-layer capacitor that has very high capacitance but low voltage limits. Supercapacitors store more energy than electrolytic capacitorsand they are rated in farads (F).

Who is maxcap electronics?

Maxcap Electronics developed from humble beginnings. Since then, we have grown from strength to strength - increasing our production lines from four to 22, and continuously enjoying a steady growth in our annual sales turnover. Our products go through strict and extensive quality control scrutiny.

What are supercapacitors used for?

Supercapacitors can also be used to power the robots used in automated warehouses. This is eminently practical because the robot will never be far from a point where it can be automatically recharged. Because wearable devices are designed to work with very low power,supercapacitors are a natural for their use in such applications.
