Will Uzbekistan fund a 250-megawatt solar photovoltaic plant?

TASHKENT, May 21, 2024 -- The World Bank Group, Abu Dhabi Future Energy Company PJSC (Masdar), and the Government of Uzbekistan have signed a financial package to fund a 250-megawatt (MW) solar photovoltaic plant with a 63-MW battery energy storage system (BESS).

Who owns a 200 MW photovoltaic plant in Uzbekistan?

ACWA Power and the JSC National Electrical Grid of Uzbekistan signed a 25-year Power Purchase Agreement (PPA) for the development/construction/operation of a 200 MW photovoltaic plant including a battery energy storage system ("BESS"). JSC National Electric Grid of Uzbekistan acts as the sole off-taker.

Why is ACWA partnering with Tashkent Riverside?

The agreement today for the Tashkent Riverside project reflects the strong trust placed in ACWA Power as the private sector partner, and one of the global leaders in renewables and energy storage.

Who will sell electricity to in Uzbekistan?

The project company is committed to selling electricity to the state-owned National Electric Grid of Uzbekistan JSC under a 25-year Power Purchase Agreement for the project, including a 10-year operating term for the BESS component, signed by these two entities.

Sungrow and CEEC launch Uzbekistan's first 300MWh energy storage project, enhancing grid stability and supporting the country's renewable energy goals.

The Tashkent Solar Energy Storage Project is a landmark renewable energy initiative in Uzbekistan, aiming to enhance the country's clean energy ...

The Tashkent solar energy storage project in Uzbekistan, led by China Energy Engineering Corporation, has made significant progress - the structural topping out of the ...

EBRD financing of US\$ 229.4 million supports major renewable energy project in Uzbekistan Funds to facilitate construction of a battery ...

The European Bank for Reconstruction and Development (EBRD) is contributing to Uzbekistan's objective of developing up to 25 ...

The Tashkent Solar Energy Storage Project is a landmark renewable energy initiative in Uzbekistan, aiming to enhance the country's clean energy capacity and grid stability. Located ...
